INTRODUCTION

Since 1978, Seoyeong University has proved to be a recognized university providing practical, employment-oriented degree programs.

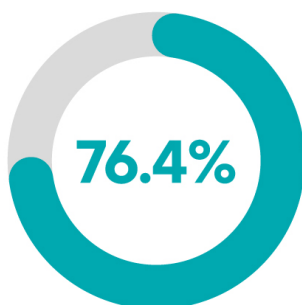

✿ Number of students enrolled

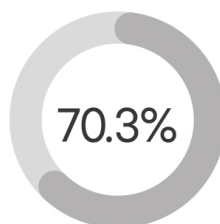

✿ Administration of degree programs

- ☑ Associate bachelor courses (2 to 3 years) 31 departments
- ☑ Regular bachelor courses (4 years) 14 departments
- ☑ Master's courses 2 departments

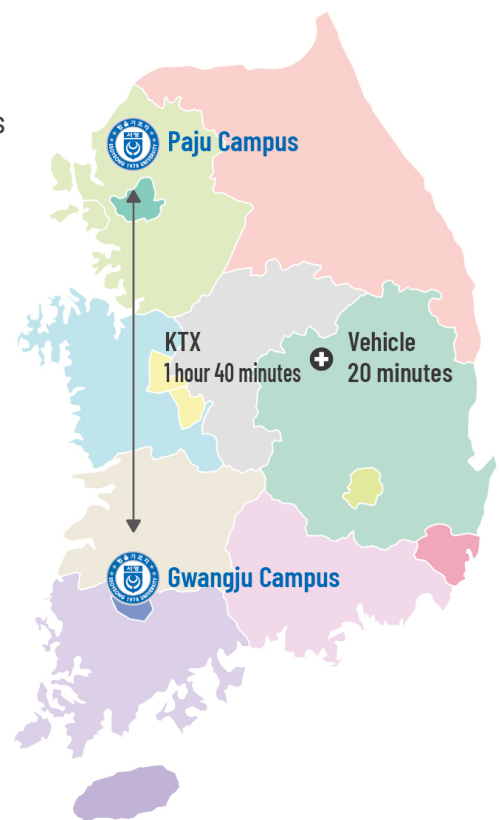

✿ Employment Rate

Seoyeong University

Universities nationwide

Strengths of Seoyeong University

Employment-oriented university

- Departments structured to facilitate the acquisition of employment visa (Specialized courses designed to facilitate employment and settlement in Korea)
- Seeking employment is easy as the campuses are located close to Kia Motors, Kumho Tire, Hanam, and other industrial parks

Programs linked to employment

- MOUs signed on Industry-Academe Collaboration with businesses located in nearby industrial parks, including partner company Samho Heavy Industries
- Provision of on-site internship opportunities at companies under agreement
- Provision of employment-related information and opportunities

Work-study balance

- In terms of degree courses, you can have the flexibility in choosing blended classes(a mixture of in-person and on-campus instruction with online meetings, for work-study balance.
